

90-DAY LIMITED WARRANTY

Coleco Industries, Inc. warrants to the original consumer purchaser of its Play and Learn Electronics products listed below that the product will be free of defects in material or workmanship for 90 days from date of purchase under normal home use.

Coleco's sole and exclusive liability for defects in material and workmanship shall be limited to repair or replacement at the authorized Coleco Service Station cited below. This warranty does not obligate Coleco to bear the cost of transportation charges in connection with the repair or replacement of defective parts.

If your item fails to operate properly during the first 90 days after purchase, return it postage prepaid, together with your check or money order for \$5.00 to cover handling and inspection, and your name, address, dated sales receipt and a brief description of the problem, to the Factory Service Station cited below. If your unit is found to be factory defective during the first 90 days, it will be repaired or replaced for the handling and inspection fee only. If the unit is found to have been consumer damaged or abused and therefore not covered by the warranty, then you will be advised, in advance, of repair costs.

This warranty does not cover any claim concerning worn out or defective batteries.

This warranty is invalid if the damage or defect is caused by accident, act of God, consumer abuse, unauthorized alteration or repair, vandalism, or misuse.

Any implied warranties arising out of the sale of the product, including the implied warranties of merchantability and fitness for a particular purpose, are limited to the above 90-day period, Coleco shall in no event be liable for incidental, consequential, contingent, or any other damages.

This warranty gives you specific legal rights, and you may have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you.

SERVICE POLICY

If your item requires service after expiration of the 90-day, limited warranty period, Coleco will service the unit and put it in working condition or replace it with a reconditioned model (at our option), on receipt of your unit, postage prepaid, with your check covering the applicable service charge (see listing of service charges below). Coleco's service obligation does not apply to defects arising from abuse, misuse or alteration of the unit and Coleco shall not be obligated to service any electronic product after 1 year from the date of purchase.
